Loss Control Technical Services

As the WorkSafe people, we are dedicated to helping employers create and maintain a safe, productive workplace. If you need technical safety, loss control or risk management advice, please contact our Loss Control Technical Services team at LossControlTechSupport@accidentfund.com or 517-708-6910.

AF Group (Lansing, Mich.) and its subsidiaries are a premier provider of innovative insurance solutions. Insurance policies may be issued by any of the following companies within AF Group: Accident Fund Insurance Company of America, Accident Fund National Insurance Company, Accident Fund General Insurance Company, United Wisconsin Insurance Company, Third Coast Insurance Company or CompWest Insurance Company.

Loss Control Toolbox

Accident Fund is proud to offer all policyholders complimentary access to a Loss Control Toolbox that serves as both a library of resource material and a learning site to support implementation of effective safety and risk control strategies.

Visit our website to obtain safety information from our Loss Control Toolbox. Note: Only Accident Fund policyholders are provided full, complimentary access to all of the tools available.

Policyholder Registration: All policyholders must register on our website to gain full access to all of the tools in the Loss Control Toolbox. To register, go to AccidentFund.com and select *Policyholder Login* section of the toolbar at the top of the page. Next, select *Register Here* and follow the steps to set up a Security Administrator for your organization.

Part of the AF Group

Accident Fund Insurance Company of America is a member of AF Group. All policies are underwritten by a licensed insurer subsidiary of AF Group.

Webinars

- A series of short training sessions provide safety tips and tools for confidently utilizing the loss control resources available to our policyholders.
- Technical safety sessions and Loss Control Toolbox overviews.
- View the annual schedule and registration form in the Loss Control Toolbox at www.AccidentFund.com.

Resource Documents

We offer a library of resource documents that provide practical safety solutions for a variety of work environments. Anyone who visits our website, or downloads the AF Group app on their mobile device, can access this library. Policyholders are able to order additional resource documents through our in-house print center.

Resource documents in the library include:

- Safety tip sheets
- Checklists
- Sample forms
- Guidebooks
- Posters

Safety Program Tips

Looking to build a safety program or need tips on how to improve your current program? Accident Fund's Safety Program Tips provides 10 steps with links to resource documents that help establish the framework for a successful safety program.

Online Training System

Accident Fund provides all policyholders unlimited, free, 24/7 access to an online training system powered by the Lezage Training Center.

- Quickly deployed with minimal staff training.
- Couples training modules on safety and human resources topics with easy-to-use administrative features that give employers everything they need to run an effective employee training program.

System Features:

- Over 200 interactive training modules
- Quizzes
- Completion certificates
- Individual training
- Group training
- Custom training library creation
- Tracking fields for location, department or other identifier
- Electronic training records
- Mobile device compatible
- Select modules are also available in Spanish

Safety Training Videos

Accident Fund has partnered with Health and Safety Institute (HSI) and their affiliate, Summit Training Source, to offer policyholder discounts on their extensive library of training DVDs and streaming videos.

- More than 100 OSHA, DOT and EPA training topics, and hundreds of environmental health and safety titles.
- Select titles are available in Spanish

DVDs

- Available to Accident Fund policyholders to purchase at the discounted price of \$189 per unit.
- Each unit includes the training DVD and supporting documents to facilitate delivery of the content to employees.

Streaming Videos

- Available to policyholders at the discounted price of \$39.95 per title for 15 days of streaming.
- 24/7 access from any web-enabled device.
- Ordered through HSI's website and delivered via email.
- Each title includes documents that support delivery of the content to employees.

OSHA 10- and 30-Hour

- HSI is an OSHA-approved vendor with the ability to deliver online OSHA 10- and 30-hour certification classes.
- Users with 25 or less participants can purchase the training at the following prices:
 - OSHA 10 (English and Spanish, General Industry or Construction) – \$60 per participant
 - OSHA 30 (English and Spanish, General Industry or Construction) – \$123 per participant
- Users with more than 25 participants receive bulk pricing discounts, depending on the number of attendees per course.

Employee Assessment Tools

To help policyholders find safe and reliable employees, Accident Fund has partnered with Psychometrics to offer special pricing on their WorkSafe Predictor and Employee Reliability Inventory (ERI) assessments.

- A one-time, online portal registration fee and your first five assessments are just \$99.
- Ongoing assessments are \$18-25, depending on volume.
