

Be Smart, Just Drive

Studies show that driver distraction is a factor in more than **70%** of accidents.
That's more than **10,000** crashes every day in the U.S.

Don't be a statistic.

- Be familiar with your vehicle's controls.
- Adjust mirrors, seat and radio before you drive off.
- NEVER use electronic devices — except in an emergency.
- Don't engage in distracting conversations.
- Always wear your seatbelt.
- Don't pick up or reach for a dropped or loose object.
- Avoid distractions that impair your ability to operate a vehicle safely, such as eating, drinking and smoking.

Pay attention to the road ahead, stay focused and expect the unexpected.
