Anthony rejoined the Accident Fund team in 2015 as a loss control consultant. In this role, he provides loss control services to policyholders in the metro Washington D.C. area.

Anthony originally joined Accident Fund in 2009 as the loss control consultant in Georgia and parts of Alabama. When his family moved to Washington D.C., he joined another insurance carrier where he evaluated various risks across multiple lines of coverage. Prior to that, he worked in the insurance and safety industry as a safety and training coordinator for a regional governmental agency where he arranged and administered the workers' compensation program, drug and alcohol testing program, and the organization's safety and training programs. He also served as a loss control consultant for another commercial lines carrier in Georgia.

Anthony obtained his Bachelor of Arts from the University of South Carolina. He earned a Master's in Public Administration from East Tennessee State University and holds the Certified Authority on Workers' Compensation (CAWC) designation
