

Heather Hanson, CSP, CAWC

Senior Loss Control Consultant

517-708-5844

Heather.Hanson@AccidentFund.com

Heather joined the Accident Fund team in 2014 as a senior loss control consultant. She provides value-added service to policyholders in Wisconsin.

Heather previously worked for two insurance companies providing loss control services in Wisconsin and Iowa. In addition, she has experience in occupational and environmental safety and health, risk management, ergonomics and emergency preparedness, including the industries of manufacturing and academia.

Heather graduated with a Bachelor of Science in exercise science with an emphasis in worksite health promotion. She also obtained a Master of Science in occupational and environmental safety and health with a certificate in ergonomics. She has obtained her Ed.S. in career and technical education and a certificate in instructional design. As part of her orientation at Accident Fund, Heather earned her Certified Authority on Workers' Compensation (CAWC) designation and has since obtained her Certified Safety Professional (CSP) designation. Heather is a member of the American Society of Safety Professionals (ASSP).
