

Kareem Olugbenga, MS, CSP, CAWC

Senior Loss Control Consultant

770-701-4019

Kareem.Olugbenga@AccidentFund.com

Kareem joined the Accident Fund team in 2017 as a senior loss control consultant. In this role, he provides loss control services to policyholders in Georgia and Western South Carolina.

Prior to joining Accident Fund, Kareem was a risk control consultant for Willis North America. He has held several other positions in the safety field, including: safety and industrial hygiene specialist with AMP Incorporated in Harrisburg, Penn.; safety director for L.E. Schwartz in Macon, Ga.; and environmental, health & safety engineer with Tenneco Packaging in Smyrna, Ga. At various times, Kareem has served as an instructor with the Construction Engineering Department of Southern Polytechnic University in Marietta, Ga.

Kareem obtained a Bachelor of Science degree in architectural engineering technology from Southern Polytechnic University. He also obtained a Master of Science degree in occupational health and safety engineering from West Virginia University.

Kareem currently holds the Certified Safety Professional (CSP) designation issued by the Board of Certified Safety Professionals and the Certified Authority on Workers' Compensation (CAWC) designation. He also attended the OSHA 500 course—Authorized Instructor for the OSHA Safety and Health Outreach Training Program. He is currently a professional member of the American Society of Safety Professionals (ASSP) as well as the American Industrial Hygiene Association.
