Matt joined Accident Fund in 2015 as a loss control consultant providing loss control services to clients in the St. Louis, Missouri area. He was promoted to senior loss control consultant in 2017.

Matt has extensive experience as a loss control consultant working for a multi-line insurance carrier that specialized in the horticultural industry. During his time there, Matt serviced a territory of 14 states, covering most of the Southeast U.S. Most recently, he was the safety director for a heavy civil construction company where he oversaw daily safety operations, including claims handling and maintaining compliance with DOT requirements.

Matt obtained a Bachelor of Science in occupational safety and health from Murray State University, received his Certified Safety Professional (CSP) certification in 2013 and has also obtained his Certified Authority on Workers' Compensation (CAWC) designation. He is also an active member in the St. Louis chapter of the American Society of Safety Professionals (ASSP).
