

Mathew Demetriades, CSP, CAWC

Loss Control Consultant

704-616-1485

Mathew.Demetriades@AccidentFund.com

Mathew joined the Accident Fund team in 2017 as a loss control consultant providing services to policyholders in North Carolina.

Mathew has more than 15 years of experience in the safety field, including 12 years as a loss control consultant where he serviced clients in North Carolina, Alabama and Texas.

Prior to joining Accident Fund, his former employers included Brentwood Services Administrators in Brentwood, Tenn. and Sonoco Products Company in Hartsville, S.C.

Mathew obtained his Bachelor of Science degree in industrial management from Clemson University, with an area of concentration in transportation and logistics. He obtained his Certified Authority on Workers' Compensation designation (CAWC) in 2017 and his Certified Safety Professional (CSP) designation in 2019.
